Re: Acceptance of Power of Attorney
Serial Nos. 10/177,982 and 10/082,541

Dear Ms. Ross:

On May 5, 2003, we submitted Revocation and Substitute Powers of Attorney for the above referenced Application Nos. 10/177,982 and 10/082,541, giving our firm the power to act in the above cases. The USPTO refused to accept the Powers for failure to specify the chain of title establishing SiRF Technology, Inc. as the owner of the applications. Accordingly, we have enclosed Statements under 37 CFR 3.73 (b) that specifies the reel and frame number for the recording of the assignment of the entire interest in the above applications to SiRF Technology, Inc. Courtesy copies of the refusal to accept Powers of Attorney are also attached.

With the submission of the Statements 37 CFR 3.73 (b), we kindly request that the Powers of Attorney submitted on May 5, 2003 be accepted for both applications. We ask that all future correspondence for the above cases be directed to the following:
